

**CORA NUM****Title**

Front page to back page: Using online newspapers

**Summary**

Discover how to locate and use current and historical newspaper collections online.

**Abstract**

Front page to back page newspapers contain a wealth of information and can take you back to the time of your ancestors. Discover what collections are available and learn how to structure searches and filter effectively. You will be shown how to access newspaper collections worldwide using libraryResources. These offer access to subscription newspaper sites from home for free and this offers a new and exciting way to search for your family.

**Audience**
