GENERAL INFORMATION

Canberra is a great place to visit with many attractions and well worth an extra few days when you come to Congress. An excellent place to start when planning your visit is www.visitcanberra.com.au. This site includes information about attractions, accommodation, ideas for short tours in and around Canberra and other information of value to the visitor.

The **Canberra and Region Visitors Centre** will send you relevant tourist information if you give them a call on 1300 554 114. The Visitors Centre will also assist with accommodation options and bookings.
